PRICE GUIDE 2017

digital print at demon prices

Files and Media & Artwork

As with most printers we are Apple Mac based and therefore our preference for artwork is 'print ready' PDF files. 'Print ready' is minimum 300dpi. All fonts should be embedded upon creation of said PDF.

We will also accept Quark, Indesign (all images and fonts used must be sent), Freehand, Illustrator (turn all fonts to 'paths' or 'outlines', particularly if created on a PC), EPS, JPG, TIFF etc. If in doubt please ask and we will confirm if your format is acceptable. We do not take MS Word files.

Should your artwork contain bleed, we require 3mm all round.

Any custom sized work must be supplied with crop marks. Prices for custom sized work are dependent on how many will fit on an SRA3 sheet. This figure will then be divided into the total number you require, resulting in the number of SRA3 sheets needed for printing.

Booklets should be spread in printers pairs or sent as single pages to be imposed. However, Imposition by us may incur you extra cost.

Please double check your artwork, we charge £40 an hour should any changes have to be made, you will of course be notified beforehand should your artwork require change by ourselves.

Proofs

Proofs are available FREE of charge, however they will be charged at £5 per copy if the job does not become live within 30 days.

Turnaround

Our turnaround time is generally a maximum of 3 days from receipt of artwork, this is a maximum with most work being despatched within 24-48 hours of receipt. Larger jobs may take longer, please ask when placing your order. Lamination is currently outsourced and will increase lead times.

Delivery

Delivery is by next day courier. The charge is dependent on the weight of the job with a minimum charge of £7. Please ask when ordering and we will confirm the cost.

Confidentiality

Your customers will NOT be approached as a direct result of you sending us their work. We depend on your repeat business therefore it is not in our interest to contact your clients. All jobs will be despatched securely in plain unmarked packaging.
